PRESS RELEASE / January 18, 2008

**FIRST REPORTED FOAL BY MULTIPLE GRADE 1 WINNER ARAGORN
HAS ARRIVED**

The first reported foal, a chestnut colt, by multiple Grade 1 winner and millionaire ARAGORN, arrived at Walmac Farm on January 14, 2008. According to Peter Taaffe, Manager of Boarding Services at Walmac, "the ARAGORN colt is outstanding, with good size and bone and a great body. The foal is out of stakes-placed Geisha Girl (GB) and is owned by Abbott Properties, who bred Grade 1 winner Hystericalady."

ARAGORN won five stakes, including the Grade 1 Shoemaker Breeders' Cup Mile and the Grade 1 Eddie Read Handicap, winning off by four lengths and setting a course record of 1:44.79 for 1 1/8 miles.

Sired by Giant's Causeway, the top young son of leading sire Storm Cat, ARAGORN is out of the Mr. Prospector mare Onaga who was sold for \$1.7 million at the 1999 Keeneland November Sale.

ARAGORN, who was bred to a book of 110 mares in his first season, stands at William S. Farish's Lane's End Farm near Versailles, Kentucky.
