LANE'S END RELEASES 2010 STUD FEES

“Today we are announcing the 2010 stud fees for the 21 Lane’s End stallions,” said Lane’s End owner Will Farish. “All of our farm fees are on a live foal, payable when foal stands and nurses basis. We are also offering a 10% discount if the stud fee is paid in full prior to November 1, 2010.”

“In an effort to increase market value for all of our clients, we will continue to closely monitor the size of our stallions’ books and will remain sensitive to this issue.”

“We are also announcing the retirement of our great international sire GULCH due to declining fertility.”

Attached is the list of fees.
