WANDO

Langfuhr – Kathie’s Colleen, by Woodman

Canadian Triple Crown winner and Horse of the Year Wando is by Danzig's highly successful young sire, Langfuhr, out of a graded stakes winning half-sister to grade one winner and grade one sire, Beau Genius. Wando is out of a Mr. Prospector line mare, and is inbred to Northern Dancer.

A cross which is free of those strains which has done well with both Danzig and Langfuhr is that with **Ribot** line mares. Langfuhr has sired the grade one winning Imperial Gesture out of a mare by **Hoist the Flag** (by Ribot's son, **Tom Rolfe**). He also has two stakes winners out of mares by Ribot's son, **His Majesty**, which also suggests that mares descending from His Majesty's brother, **Graustark**, might be good here.

Another line which will be an outcross here is **Bold Ruler**, and Langfuhr has already done very well with mares from this line. He has a graded stakes winner out of a mare by **Irish Tower** (by **Irish Castle**), as well as stakes winners out of mares by **Metfield** (by **Seattle Slew**), **Formal Dinner** (by **Well Decorated**, by **Raja Baba**), **Bold Ruckus** (by **Boldnesian**), **D'Accord** (by **Secretariat**), and **Dust Commander**. Bold Ruler is a son of **Nasrullah**, and from other branches of this sire line, Langfuhr has sired Mobil - an earner of almost \$2,000,000 - out of a mare by **Naskra**; four stakes winners out of **Blushing Groom** line mares (including out of mares by **Rahy** and **Housebuster**), and two stakes winners out of **T.V. Lark** line mares.

The line of Nasrullah's three-parts brother, **Royal Charger**, through **Turn-to** is one which has frequently combined well with Danzig and his sons. From the Turn-to line via **Sir Gaylord**, Langfuhr has sired multiple grade one winner Lawyer Ron (dam by **Lord Avie**) and graded stakes winning Interpatation (by **Habitony**, by **Habitat**), and Wando might also do well with **Sir Ivor** line mares. Langfuhr also has Canadian Oaks winner Kimchi is out of a mare from the **Stop the Music** branch of this line, and stakes winners out of mares by **Lear Fan** (by **Roberto**) and **Mr. Leader**.

Wando's broodmare sire, Woodman, is out of a mare inbred to La Troienne through **War Admiral/La Troienne** crosses, and more of that strain, particularly **Buckpasser**, should do well.

The **Mr. Prospector** strain in this pedigree sits between close inbreeding to Northern Dancer, and so could be a suitable target for inbreeding. The **Fappiano** strain might be particularly good here, and **Miswaki**, **Seeking the Gold**, and **Mining** are all three-quarters related to Wando's broodmare sire, Woodman.
