CANDY RIDE (ARG)

Ride the Rails – Candy Girl, by Candy Stripes

An undefeated Champion and triple grade one winner, Candy Ride has made a sensational start to his stud career. With his first crop – three-year-olds of 2009 – he is sire of 16 stakes performers, nine stakes winners, and five graded stakes winners. Candy Ride has only one strain of **Northern Dancer**, which will be in the sixth generation of his foals. From the **Storm Cat** branch of Northern Dancer line he is sire of grade one winner Capt. Candyman Can from a mare by **Storm Creek** (which suggests the similarly-bred **Tale of the Cat** and **Storm Boot**) and a graded stakes winner out of a mare by **Forest Wildcat**. Other Storm Cat sons that appeal include **Hennessy**, **Giant's Causeway**, and **Forestry**. Candy Ride's grandsire Cryptoclearance is also sire of a stakes winner out of a mare by Storm Cat's sire, **Storm Bird**, and this also suggests mares by **Summer Squall**. Other branches of the **Northern Dancer** line with mares that have produced stakes winners for Cryptoclearance line stallions include **Vice Regent** (two grade one winners, one a Champion), and his son **Deputy Minister** (including though **Salt Lake**); **Danzig** (whose sons, **Boundary** and **Polish Navy**, are broodmare sire of Candy Ride stakes performers); **Nijinsky II**, including through **Shadeed/Alydeed**, **Seattle Dancer**, **Strawberry Road** and **Green Dancer**, and also potentially particularly appealing through **Royal Academy**; **The Minstrel**; **Lomond**; **Sovereign Dancer**, and **Northern Jove**. From the same **Nearctic** line as **Northern Dancer**, but through **Icecapade**, Cryptoclearance has a grade one winner out of a mare by Clever Trick. The Icecapade line is also worth trying through **Wild Again**.

Candy Ride's sire, Ride the Rails, is inbred to the important mare, Alablue. She is dam of **Boldnesian**, the grandsire of **Seattle Slew**, and Candy Ride has already sired graded stakes winner Chocolate Candy out of a mare by **Seattle Slew**. Stallions from this line carrying **Buckpasser** (including **A.P. Indy** and **Slew o' Gold**) might work particularly well, as might those carrying **Mr. Prospector** (such as **Pulpit**, **Malibu Moon** and **Mineshaft**). It could also be worth looking at mares descending from **Boldnesian** through **Bold Ruckus**.

Seattle Slew is a **Nasrullah** line horse, and Candy Ride is sire of graded stakes winner Misremembered out of mare by Nasrullah line stallion **Quack** (by **T.V. Lark**), and he also has stakes winners descending from the **Caro** branch of Nasrullah from mares by **In Excess** and his son **Indian Charlie**. Candy Ride's own broodmare sire, Candy Stripes is by **Nasrullah** grandson **Blushing Groom**, and it is worth considering breeding back over mares from the Blushing Groom line, with good candidates including **Rahy**, **Mt. Livermore** and his son **Oriente**, and **Arazi**.

Candy Ride is sire of graded stakes winner El Brujo out of a mare by **Devil's Bag**, a son of **Halo**, and a brother to **Saint Ballado**. He's also sire of stakes winners from daughters of **Woodman** and **Miner's Mark** and a grade one placed horse out of a mare by **Mr. Greeley**, both from his own **Mr. Prospector** line. **Mr. Prospector** also looks particularly interesting through **Forty Niner** and sons.
